make centers for your
classroom*

Sponsored By:

CCESC
"A Tradition of Excellence"

Centering Around Science Standards For Grades 6-8

How will this impact my students?

Puts the wonder back in science

Differentiates instruction to effectively engage and motivate all of your students

Provides ready-to-use research-based best practices

What are the outcomes of this course?

- ◆ Participants will use learning contracts and hands-on centers to differentiate science at their specific grade level
- ◆ Participants will be able to better monitor individual student's progress and provide specific support
- ◆ Participants will create their own differentiated centers in order to address all students' needs
- ◆ Participants will have a better understanding of the Ohio Academic Science Standards

For more information go to www.ccesc.org and to register online

What is it?

5 Day Science Workshop

When is it?

July 19-23, 2010

What time is it?

8:00-8:30 Registration

8:30 to 3:30 Workshop

Where is it?

Clermont County
Educational Service Center
2400 Clermont Center Dr.,
Suite 100—Blue Room
Batavia, OH 45103

What is the cost?

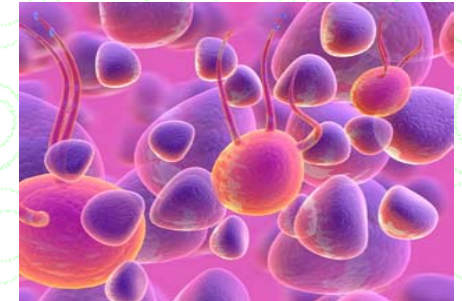

\$175.00

Teacher Benefits include:

- ◆ Materials and resources to support Ohio Academic Science Standards
- ◆ 30 contact hours or 3 semester hours
Ashland University graduate credit at an additional cost of \$489.00 paid on the first day of class
- ◆ Lunch
- ◆ Opportunity to earn 2 additional semester hours for completing the online *iDiscovery* course offered Fall 2010 (tuition waived)

Presented by:

Meri Johnson has over twenty years of experience teaching science.
Amy Bain has 12 years of experience with differentiation strategies that range from special education through gifted.
Together these National Board Certified teachers bring practical application to research-based best practices.
