# Centering Around Science Standards For Grades K-2

*How will this impact my students?*

**Puts the wonder back in science**

**Differentiates instruction to effectively engage and motivate all of your students**

**Provides ready-to-use research-based best practices**

*What are the outcomes of this course?*

- ◆ Participants will create centers to address all students needs
- ◆ Participants will use science concepts in a differentiated hands-on manner at their specific grade level
- ◆ Participants will be able to better monitor individual student's progress and provide specific support
- ◆ Participants will have a better understanding of the Ohio Academic Science Standards

**What is it?**  
3 Day Science Workshop

**When is it?**  
August 2, 3, 4, 2010

**What time is it?**  
8:00 to 8:30 Registration  
8:30 to 3:30 Workshop

**Where is it?**  
Clermont County  
Educational Service Center  
2400 Clermont Center Dr., Suite 100  
Blue Room  
Batavia, OH 45103

**What is the cost?**  
\$100.00

## **Teacher Benefits Include:**

- ◆ Materials and resources to support Ohio Academic Science Standards
- ◆ Lunch
- ◆ 13 contact hours or 1 semester hour Ashland University graduate credit at an additional cost of \$163.00 paid on the first day of class
- ◆ Opportunity to earn 2 additional semester hours for completing the online *iDiscovery* course offered Fall 2010 (tuition waived)

## **Presented by:**

Meri Johnson has over twenty years of experience teaching science.  
Amy Bain has 12 years of experience with differentiation strategies that range from special education through gifted. Together these National Board Certified teachers bring practical application to research-based best practices.
